Maximum Coverage Period

You decide how long you need coverage with your UniCare Short-Term Plan. This plan is non-renewable and designed to meet your temporary health insurance needs while you are waiting for permanent coverage. After your Short-Term Plan expires, you may complete a new application and reapply for a new Short-Term Plan with a new deductible to be satisfied. However, after you have completed two coverage periods of a Short-Term Plan with less than six months lapse in between, you must wait six months to be eligible to apply for another Short-Term Plan.

Eligibility and Enrollment

Pricing is based on a per member, per day rate. Please remit your check for the entire premium with your application. For faster service, you may also choose to pay by credit card (VISA, MasterCard or Discover) and submit your application via fax. Your coverage will begin once your application has been approved by UniCare.

To qualify for coverage, you must be:

- Your unmarried adopted child or a child whom you are in the legal process of adopting; or
- Your unmarried grandchild(ren) between the ages of 15 days and 25 years if they are your dependents for federal income tax purposes at the time of application.

Please note that no dependents or newborns can be added once the plan is issued.

Effective Date of Coverage

Your effective date is determined by the date you choose to start coverage in accordance with the terms of the plan and acceptance by UniCare. Assuming UniCare's acceptance, in most cases plans will take effect at 12:01 a.m. on the date following the U.S. Postal Service postmark date stamped on the envelope or receipt date by UniCare. If you pay by credit card and submit your application via fax, coverage may become effective as early as 12:01 a.m. the next day. Short-Term Plan Overview

This matrix provides a brief description of some of the plan features and reflects UniCare's payment for covered expenses after applicable deductibles are met. When you use UniCare independently contracted, participating (in-network) providers, your costs are based on a UniCare negotiated rate that may often

save you money. When you use nonparticipating (out-of-network) providers, your costs are based on charges deemed by UniCare to be reasonable for that service and area. Reasonable charges may be less than your provider's billed charges and often result in higher costs to you.

Important Information Regarding HIPAA

Coverage under this Short-Term Plan may make a person ineligible for HIPAA guarantee issue coverage. To be eligible for a guarantee issue plan, a person must, among other things, have been most recently covered under an employer plan. This Short-Term Plan is not an employer plan. Additionally, enrollment in this Short-Term Plan may cause a person to lose credit toward subsequent pre-existing condition exclusions.

Cancellation Fee

Once your plan arrives, you have 10 full days to examine and either accept or decline coverage by returning the plan. After the 10-day free look period, you may cancel your plan by notifying UniCare in writing. Your cancellation will be effective 30 days after we receive your written notification. You will be charged a cancellation fee of \$25 and the balance of the premium (if applicable) will be refunded to you.

Additional Information

Please contact your agent for information about permanent individual coverage options. Approved and enrolled Short-Term Plan members will receive a UniCare subscriber identification (ID) card and a Plan booklet. The Plan booklet gives a comprehensive description of what is covered.

How To Calculate Your Premium

1. Find your ZIP code to determine your rating area. (See next page.)
2. Choose the deductible you prefer.
3. Find the age range of the applicant (as of the effective date) to determine the per day rate.*
4. Multiply the per day rate by the number of days selected (Section 2B on the enrollment application) to determine the premium.

Example of a Premium Calculation:

Eric, 33 and Teri, 28 live in Area 4.
They choose the \$1,000 Deductible Plan.
They select 75 days of coverage.

Applicant + spouse rate, based on age of older spouse (age 33)

Per day rate = \$3.27
 $\$3.27 \times 75 \text{ days} = \245.25
(Total Premium Due)

Notes:

Read your plan carefully. This summary of benefits provides a very brief description of the important features of your plan. This is not the insurance contract and only the actual Plan Booklet provisions apply. The plan sets forth, in more detail, the benefits, limitations, exclusions, preservice and utilization review, authorization process and penalties that may apply. If there are any conflicts between the terms of the Plan Booklet and the information in this brochure, the terms of the Plan Booklet will prevail. TXIST0902
